

Our 2019 Annual
Canyon Clean-Up
Saturday May 18th

It's time for a little spring cleaning.

The Big Falls Picnic Grounds, our local streets and creeksides can all use our help; Roadside clean-up and graffiti removal can be done in the days leading up to our Dumpsters arrival.

In addition to cleaning our community's common areas, there will be dumpsters at Big Falls Lodge, Mountain Home Village and the Cinder pile to help get our own properties in order. Recepticles for specific waste are listed on the right.

Join us, Dig in,
Let's clean it up!
